TECHNICAL INFORMATION

Color	Light Straw
Odor	Odorless
pH	N/A
State	Liquid
DOT	Not Regulated By DOT

- Safe & effective spotter – for PROFESSIONAL DRY CLEANING use only.
- Remove stains for: silks ~ rayons ~ cotton ~ pastels
- Effective leveling agent
- Quickly solubilizes any moisture, thus preventing yellowing, circling and redeposition.

DIRECTIONS FOR USE:

Spotting: Apply directly to stain. Brush lightly and clean as usual.

Leveling: For dried water marks, rewet them; then, feather this or any residual moisture or water based spotter from fabric. Apply (bead) Stand-By all around the outer boundary of the stained area, then clean normally with like colors.

For Professional Dry Cleaning Use Only

Storage: Keep Container Closed When Not In Use.
