## TECHNICAL INFORMATION

Color	Green
Odor	Characteristic
pH	6 - 8
State	Liquid
DOT	Not Regulated by DOT

Nature's Green APC is a safe, environmentally friendly, all purpose, all surface cleaner with a wide variety of uses. It will emulsify light grease, soap scum, rubber burns, black heel marks, dirt, printer inks, mold and mildew stains. Nature's Green APC is non-flammable and contains no hard abrasives. It is perfect for general household, kitchen and light industrial cleaning and can be used for multiple applications at different dilution rates.

### DIRECTIONS FOR USE:

Nature's Green APC may be sprayed, mopped, wiped, or brushed on. Recommended dilutions:

Light Duty: Walls, Floors, Other Surfaces - 1 to 10

Medium Duty: Accumulations of dirt and grease, General Bathroom and Kitchen cleaning - 1 to 4

Heavy Cleaning: Spray undiluted on surface and wipe off after allowing to penetrate the soil for a few seconds. Kitchen equipment should be cool for best results. Spray again and rinse with potable water. Do not allow to dry on surfaces. Always rinse thoroughly.
