32000-55	55 Gallon Drum	510 lbs.

*Most products available in totes. For alternate packaging, contact ITD.

TECHNICAL INFORMATION

Color	Clear
Odor	Characteristic
pH	13.5+
State	Liquid
DOT	Not Regulated by DOT

SoSoft is a water conditioner and softener that promotes spot free cleaning. It can be used as a detergent additive, water additive, or alone in certain applications. Conditioning water and detergents can dramatically reduce detergent requirements per wash as well as the time spent drying and buffing a surface. Hard water is one of the biggest hurdles to achieving a successful wash, but it can be solved by SoSoft.

DIRECTIONS FOR USE:

Medium Hardness: Use 1 oz. per 50 gallon
Extremely Hard Water: Use 2 oz. per 50 gallon

Do not allow SoSoft to dry on surfaces. Always rinse thoroughly.
