Raider

DRUM-IN-A-BOX
CAUSTIC DEGREASER

- High Foaming Caustic Cleaner / Degreaser
- Highly Concentrated Kit Format For Freight Savings
- Caustic + Non-Butyl Formulation
- Great In Food Processing Applications
- No Phosphates
- Quat Cleaner

PRODUCT CODE

22290

PACKAGING

2 Component Drum Kit

55 Gallon Kit (2- 2x2.5 Gallon Case)

TECHNICAL INFORMATION

COMPONENT 1

Color	Straw
Odor	Odorless
pH	≥13
State	Liquid
DOT	Hazardous (Potassium Hydroxide)

* Each Component Contains 2 X 2.5 Gallons

COMPONENT 2

Color	Blue
Odor	Odorless
pH	≥13
State	Liquid
DOT	Not Regulated by DOT

Raider is a super concentrated, high foaming caustic + non-butyl detergent, containing water softening agents, surfactants and alkaline builders. It works well in hard or soft water, with cold or warm water and through automatic or manual delivery systems. It is a caustic cleaner that is particularly well suited for the food processing industry, where animal fats and blood require emulsification. Contains quaternary ammonium compounds for enhanced cleaning and management of organic stains. However, Raider can be used for a wide range of all-purpose cleaning, such as through floor scrubbers or pressure washing equipment.

DIRECTION FOR USE:

Each Raider kit contains 2 x 2.5 gallons each of component 1 and component 2 and is designed to be combined with 45 gallons of water to yield a 55 gallon drum of concentrated caustic cleaner. Suggested dilutions following creation of full drum: Scrubber 1:32, Mop bucket 1:16, Spray bottle 1:4. Apply to surface with applicator of choice and wipe or rinse free.
